

**THIRD AND FOURTH GRADES
SCHOOL SUPPLY LIST 2016-2017
ALL SUPPLIES MUST BE BROUGHT TO SCHOOL ON THE FIRST DAY August
23, 2016.**

1. 36 pencils
2. 2 SET OF WATER-BASED MARKERS (one broad-tipped, other fine-tipped)
Please make sure the set has the eight basic colors.
3. 30 PENCIL TOP ERASERS
4. SCHOOL BOX (please use last year's box unless it is falling apart. Do not purchase the gigantic boxes which take up half the desk compartment.)
5. RULER WITH BOTH STANDARD AND METRIC MARKS (Please label. We will use the ruler often. **The plainer it is the easier it is to read.** The inexpensive narrow, stiff plastic or wood ones work the best.)
6. CRAYONS, 24 COUNT (please label.) Colored pencils (optional.) Most students like them for coloring details. If colored pencils are purchased, a smaller box of crayons would be fine. Use last year's crayons if they are still in good shape.
7. HIGHLIGHTERS, 3 DIFFERENT COLORS (Please label.) 4th may use this past year's.
8. SPIRAL NOTE BOOK, **8 ½ x 11**, (minimum of 70 pages). Please stick to the **8 ½ x 11 dimensions**.
9. "SPECIAL" FOLDER OF STUDENT'S CHOICE WITH **HORIZONTAL POCKETS** (folder décor must be in good taste - please label - **must be durable**.)
- 10.2 pkg. BINDER PAPER, 150 count
- 11.4 BOXES OF TISSUE, 200 count
- 12.7 "DURABLE" FOLDERS (all of different colors - please label)
These folders will be in their desks all year and will need to stand the daily wear and tear. Once folders break down, papers become wrinkled. Plastic or plastic coated ones are perfect. If last years are in good shape, please reuse.
- 13.SCISSORS (Please label.)
- 14.24-count Scotch Brand of glues ticks (may be bought at Costco)
- 15.1 30 oz. bottle of Germ X
- 16.**EACH STUDENT NEEDS THE FOLLOWING RESOURCES AT HOME:**
 - **A GOOD ADULT DICTIONARY (EE. WEBSTER'S NEWS WORLD)**
 - **TWO THESAURUSES WITH ANTONYMS AS WELL AS SYNONYMS (Scholastic often has these available in the book orders.)**
- 17.STRETCHABLE BOOK COVERS: The best way to protect our very expensive textbooks is to cover them with heavy paper and then place the stretchy book covers over the books. **The stretchy book covers alone are not enough protection.** Each student will need one medium and one large size.
